MAHA Tip of the Day:

Raw, local honey isn't just a sweetener, it's medicine.

It supports your immune system, soothes digestion, and delivers antioxidants straight from nature.

Ditch the processed junk. A spoonful of honey is the ancient way to fuel and heal.

ON THE HORIZON

- ❑ Mixed outlook from producers, riding it out
- ❑ Watching for rebalance to Organic supply
 - ✓ supply might be growing faster than demand
 - ✓ 6 out of 10 producers that are 10,000+ taps have expansion plans
 - ✓ 75-80% of that syrup will be organic
 - ✓ might see response in organic premiums
