Farm Credit East's bylaws specify four-year terms with a limit of four consecutive terms. The bylaws require that Farm Credit East's local service area be apportioned into three regions based on voting stockholders being approximately proportionate to the number of elected directors. As of February 1, 2020, voting stockholder numbers were:

Region	# Voters	% Voters
Eastern	5,079	35.7
Central	4,647	32.6
Western	4,496	31.6
Farm Credit East	14,222	100.0

Region	# Directors	% Directors
Eastern	5	38
Central	4	31
Western	4	31
Farm Credit East	13	100

At the close of the current election cycle, the Farm Credit East Board will consist of 16 directors: 13 elected directors, one appointed customer director and two appointed outside directors.

Role of the Board of Directors

The Board's duties include:

- Hiring, coaching and ongoing evaluation of the CEO
- Setting overall ACA vision and strategic direction, including approval of the annual business plan
- Ensuring safety and soundness through monitoring financial and other reports (This includes working closely with PricewaterhouseCoopers, Farm Credit East's independent auditor.)
- Enacting overall policy guiding day-to-day operations
- For more information on your Board of Directors, please ask your local representative for a copy of *The Role of a Farm Credit East Director*. Also, for a copy of the Board's charter, please see: FarmCreditEast.com/BoardCharter.

2020 Slate of Director Candidates

There are a total of six candidates seeking election for three seats. The nominating committee conducted an extensive candidate search starting with fall Customer Service Council meetings, followed by regional conference phone calls in December and then a formal meeting in January. Potential qualified candidates were actively solicited for all positions.

Farm Credit East bylaws also provide for the nomination of candidates by petition. An eligible nominee by petition must provide the secretary of the association with the signatures of at least 50 voting members at least 60 calendar days prior to the annual meeting. This information was posted on Farm Credit East's website after the nominating committee met (on January 7, 2020). As of the January 22 deadline, there were no petitions presented. Also, floor nominations will be accepted for eligible candidates at the annual meeting. For additional information on the floor nomination or petition process, please contact General Counsel and Corporate Secretary Alena Gfeller.

ELECTION PROCESS

Voting for directors will be by mail ballot sent within 10 business days following the annual meeting. Voters must be a stockholder of record as of March 1, 2020.

Candidates are listed by open seat and alphabetically by name. The election polls will close the end of the fifteenth calendar day following the date on which the ballots are mailed to stockholders.

The election for each position shall be conducted independently with each voting stockholder given an opportunity to vote for each of the three open positions. A tellers' committee of members will count the votes and declare the winners within five business days of the voting deadline. The candidate receiving the largest number of votes for each position shall be declared elected.
